VIRGIN MARY PISTOL GRIP RELEASES NEW ALBUM, SECRET CODES

Virgin Mary Pistol Grip (VMPG) will release **Secret Codes**, a follow-up five track EP to their self-titled debut album, at the Harney Street Tavern at 9:00 p.m. on Friday, September 22, 2017. Tracks were recorded with L.A. producer (and Nebraska native), Bob Marlette, who has previously worked with artists such as Tracy Chapman and Rob Zombie. VMPG will be joined by Born On Leap Year and The Ramparts for this FREE, 21+, show.

VMPG brings a unique sound to the Omaha music scene. With lyrics poetically describing internal struggles, **Secret Codes** showcases the band's authenticity and depth of emotion. Their music has received positive reviews and has been described as "3 a.m. manic poetry sessions put to music." The band was nominated for the 2015 OEAA New Artist of the Year award.

Secret Codes was recorded at Omaha's Make Believe Studios and at Blue Room Studios in Los Angeles. The album will be available for purchase September 22, 2017 online at iTunes, Amazon, CD Baby, and at music stores in Omaha. VMPG's music can also be streamed on Spotify, iHeartRadio and Apple Music.
