Battle of the Bands

By Focus Omaha

Congratulations are due Virgin Mary Pistol Grip for being the first winners of our Battle of the Bands. All the bands that participated were more than deserving, so we offer a special

thanks to Through the Stone, The Party After, and Sherry Drive also because they all kicked a** and put on one heck of a show.

When we talked about having to reorganize our big show on September 15th to two or three Holiday shows, they didn't complain a bit and for that reason alone, they are all deserving of opening gigs. All of them will get their

chance to open for major acts before the year is out.

I also want to thank all our friends, followers, readers and sponsors for the tremendous amount of understanding and support that they have given us. We will make sure to put on some killer shows this fall/winter and hopefully everyone will be satisfied!
